## Tips

- Select small non-perishable food items. Individual fruit cups, packages of crackers, nuts, dried fruit and meat sticks are a good choice. Select foods that do not require a can opener or a refrigerator.
- Buy items such as toothbrushes, toothpaste, socks, flashlights. Anything you can think of that is small enough to put in a large Ziploc bag and would help someone living on the street.
- FMBC will provide tracts on Salvation and contact information for the church.
